Dear Chris,

I am writing to express my personal thanks and that of my Oneida County Probation officers who attended your Combative Pistol Skills course on Oct 16, 2009. Many of my armed officer's deal with potentially dangerous felons on a daily basis and the training they received from MDTs will help better prepare them for any threats they may encounter. Several of the officer's you worked with are members of the joint Operation IMPACT task force run in conjunction with other local and state law enforcement agencies, serving warrants and apprehending subjects. They expressed to me their appreciation for the street relevant skills you provided them which they can now integrate into their daily operating procedures. My department training coordinator appreciates you accommodating our request for training on such short notice and you offering to provide ongoing training support to our armed officers. Your service to this community and my officers is noted! Central New York law enforcement has an excellent resource available with MDTs in our area.

Sincerely,

  
DAVID TOMIDY
